

# I LOVED IT!

Dear Store Management,

I recently tried Boulder Organic! soup and absolutely loved it. It is fresh, delicious, and also nutritious! Not to mention their entire line is certified organic, certified gluten-free, and Non-GMO Project verified.

As a dedicated shopper at your store I would like to regularly purchase this product.

Please carry it!

## Flavors:

- |  |  |
|--|--|
| <input type="checkbox"/> Tuscan White Bean Soup          | <input type="checkbox"/> Carrot Ginger with Coconut Soup |
